TERMS TO LEARN

COACH BUSINESS CENTER (CBC) This is your position in the network structure. Think of it like your Coach account with Beachbody. All of your business activity is accounted for in the Coach Business Center.

BUSINESS SERVICES FEE A monthly service fee that supports your online office tools and personal Web site. You must remain current on all Business Services Fees to receive commission and bonus payments.

BONUS VOLUME (BV) Bonus Volume is the point value assigned to a product, which Beachbody uses to calculate and pay bonuses.

PERSONAL VOLUME (PV) Personal Volume represents the BV points earned by your CBC from your purchases combined with the purchases made by customers through your Web site.

TEAM VOLUME (TV) Team Volume is the BV points accumulated by a Coach Business Center's downline team of Coaches. Both personally sponsored and non personally sponsored Coach activity counts toward your Team Volume.

ACTIVE STATUS You achieve Active Status when you have earned a minimum of 50 Personal Volume points within the last 35 days as a Beachbody Coach.

BONUS PAY PERIOD Bonuses are calculated based on order activity within a 7-day period. Please refer to the online version of the Coach Policies and Procedures located in Coach's Corner for exact beginning and ending days.

TEAM CYCLE BONUS (TCB) Every time an Active and Qualified Emerald, Ruby, or Diamond CBC accumulates 360 Team Volume Points, with at least 1/3 of those points in one leg, a cycle occurs, generating a Team Cycle Bonus payment to the CBC. This can happen multiple times each day.

CARRYOVER VOLUME This is an exciting feature of the plan; after you complete a Team Cycle Bonus, any excess Team Volume not associated with the completed cycle can be carried over and applied toward the next cycle calculation. This process can continue until you reach a Master Cycle.

MASTER CYCLE (MC) A Master Cycle occurs every time a CBC reaches a total of 300 consecutive paid cycles. When the 300th cycle has been paid, the cycle counter resets and the CBC carries forward up to 5,000 TV in the CBC's strong leg and all TV in the CBC's weak leg.

MATCHING CHECK BONUS (MCB) As you step up to Ruby Coach or Diamond Coach status and you personally sponsor other Emerald or higher-level Coaches, you can earn a 5 to 10% Matching Check Bonus on the weekly Team Cycle Bonus checks earned by them. Every time one of your Coaches cycles and gets paid, so can you!
